DIAMOND DOTZ®

Dear DIAMOND DOTTERS,

We have had a lot of fun launching DIAMOND DOTZ® all over the world during 2017.

The response has been truly amazing and heart-warming. Thank you one and all!!

We are truly excited about the future and the growth of this great new activity of Dotting.

So here is our catalogue which we hope will inspire you to do more DIAMOND DOTZ® projects to decorate your home, give as gifts, or just to pass the time, unwind and relax.

In the coming year, we will be introducing many innovations that are sure to stimulate sales growth in the market.

Please check our website and ask our authorised dealers for more information.

Important Note

We take quality and safety very seriously and pay close attention to the compliance obligations for toxicity.

We use only first grade materials that have passed stringent testing in our production so you can be sure of what you are buying.

We look forward to working with you to create great success in the year to come.

Team Needleart World

Diamond Dotz is the fastest growing craft where stunning designs are created with tiny "Diamond" like facets. The process of picking up the Diamond Dotz and placing them on the chart is easy, relaxing and quick making it possible to complete even large size designs in a matter of days.

How does it work?

1

The chart

2

Peel back protective film

3

Chart is pre-printed with a special adhesive

4

Find the symbol on the chart

5

Find the symbol and Diamond Dotz shade number on the key

6

Find the Diamond Dotz packet with same shade number

7

Pour the Diamond Dotz into the tray

8

Open the wax caddy

9

Press the head of the stylus firmly into the wax

10

Pick up the Diamond Dotz

11

Stick the Diamond Dotz down onto the symbol

12

Recover the Diamond Dotz chart with the protective film in between sessions

Packaging

ALL KITS INCLUDE:

Instruction Sheet

Stylus and Wax

Printed Canvas

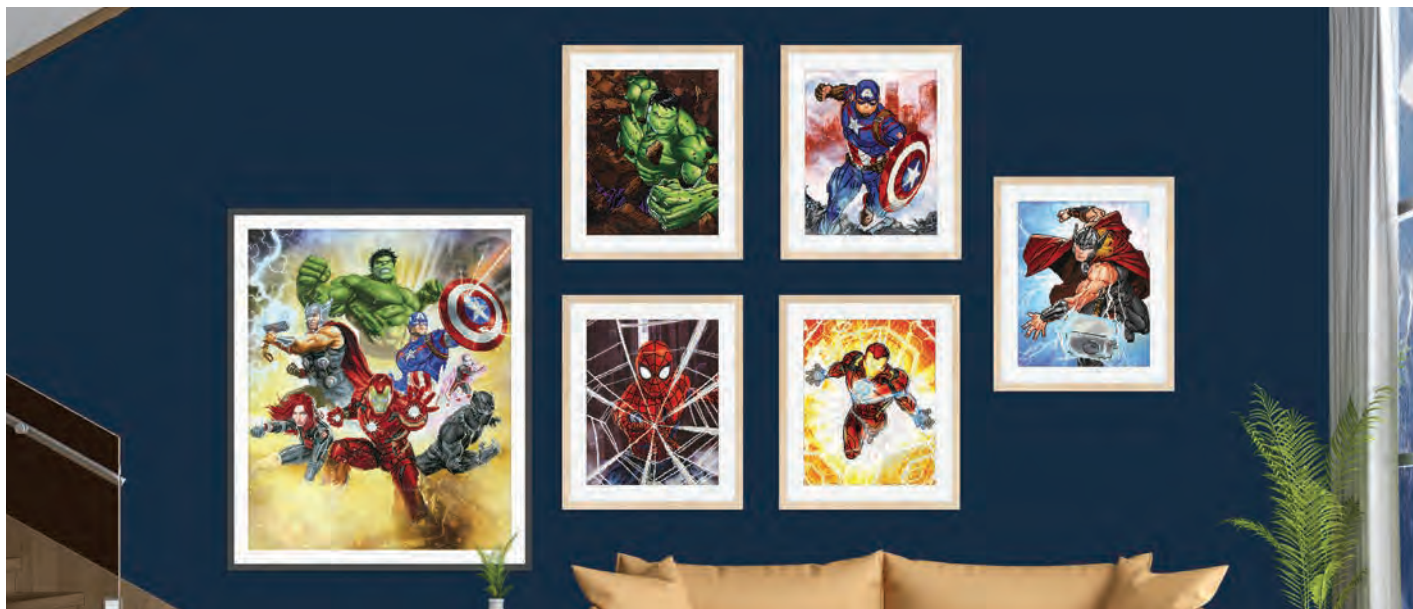

Diamond Facets

There are 10 standard packaging sizes for easy display.

Diamond Dotz® packaging features a clean modern aesthetic, using a strong 1mm fluted board with a gloss white finish on the outside and uncoated white finish inside.
